These athletes have all made it through to D-17, and on behalf of the School, we wish them every success. Of the 36 events, the athletes participated in, we succeeded in making it through to the next round of D-17 in 24 events (12 field and 12 track)

Our swimmers have also excelled. They came first in the second league gala swim last week on Wednesday and first in the Mrs Bassett Memorial Gala held on Friday. Congratulations swimmers, we are proud of you.

Our thanks are extended to all the parents and companies who have donated so generously towards our Family Fun Day. You have certainly made the task of fundraising that much easier by your kindness and generosity.

All twenty interactive boards and data projectors have now been installed in the classrooms and our teachers are absolutely delighted. Training is still taking place, but within the next few weeks your children should be coming home with a whole new outlook on good ol' school lessons. Our heartfelt thanks to each and every parent who paid their school fees last year as well as those who gave generous donations as well as supported our fundraisers in 2011. You made moving RPS into the 21st century a reality – thank you, thank you. We will be having an Open Day soon, so the parents can come and see the children, teachers and whiteboards in action.
